

FOR IMMEDIATE RELEASE

Sev-Rend Now Producing Clip Wire in Collinsville, IL

Collinsville, IL – Sev-Rend, a leader in packaging solutions, is now manufacturing clip wire at its Collinsville, IL headquarters. This move reduces reliance on imports, cutting costs and avoiding tariffs while ensuring faster lead times and superior quality control.

Made with 100% domestically sourced steel, Sev-Rend’s clip wire comes in zinc, copper, and tin coatings and multiple sizes to meet industry needs. Producing locally also supports the U.S. economy and reduces environmental impact.

“Bringing clip wire production in-house strengthens our ability to provide reliable, cost-effective solutions while reinforcing our commitment to American manufacturing and sustainability,” said Brittnie Hammack, Director of Marketing.

Complete Packaging Solutions

Beyond clip wire, Sev-Rend offers a full range of packaging products:

- **Sof-Net® & Extruded Netting** – Durable netting solutions.
- **Tags** – Custom branding, product info, and traceability.
- **SR-Film** – High-performance flexible films.
- **Labels** – Customizable, eye-catching designs.
- **Roll Stock (FFS) Film** – Ideal for form-fill-seal applications.
- **Standup Pouch Bags** – Stock and custom-printed options, including sustainable choices.
- **Steamer Bags** – Microwave-safe packaging for fresh and frozen produce.
